

August 11, 2015

Dear Parents,

In the case of an Emergency Disaster and it becomes required that we evacuate Saint Augustine School; the students will be taken to a safe location. Currently, our plan states that we would evacuate and walk to Centre Square, located at 239 North Spalding Avenue, Lebanon, KY 40033. If the weather or other factors do not allow for a safe walk, buses will be sent from Marion County Public Schools to transport all students to this location. You will pick up your children there.

In the event there is a disaster that requires evacuation further than one block away, our safe location will be Knights of Columbus Hall located on South Spalding Avenue, Lebanon, KY 40033. Again, if possible, we would walk to this location unless the weather or other factors would require buses to be used.

Respectfully,

Virginia A. Hamilton  
Principal  
St. Augustine School
